

TOWARDS “MY FINAL AND DEFINITIVE FIAT”

The program is designed to accompany one's growth and development in the consecrated life through faith-life reflection aimed at integral and profound understanding of the form of life according to the evangelical counsels lived in community for mission, and of its processes and dynamics. Essentially, it is a post novitiate formation program for (1) those preparing for their final perpetual commitment and (2) for the perpetually professed who desire to undergo renewal. The program also welcomes those who prefer to attend selected courses or topics.
